BY SIGNING THIS LICENSE AGREEMENT, THE BOAT OWNER (INCLUDING ANY AUTHORIZED AGENT AS DEFINED HEREIN) AGREES TO THE FOLLOWING LICENSE AGREEMENT. MARINA IS OPERATED ON BEHALF OF THE NATIONAL PARK SERVICE BY GUEST SERVICES, INC.

1. LICENSE. Marina (also "Licensor") hereby grants a License to Boat Owner or Agent (also "Licensee") for the use of the slip designated above (the "Slip") located at the Marina for the Boat described above, including all riggings, engines, appurtenances, and contents (the "Boat"). The term "Boat Owner" shall be deemed to include the Boat, the owner and/or master of the boat, any and all agents of the Boat Owner including family members and invited guests or service personnel, as Licensee, where appropriate. **This Agreement confers no leasehold interest. Marina reserves the right to change the Slip assignment or move the Boat for safekeeping, normal Marina operations or repairs, for special events, or as needed at the sole discretion of the Marina.**

2. ASSUMPTION OF RISK; DISCLAIMER OF LIABILITY; INDEMNITY. The Slip and the Marina are to be used at the sole risk of Boat Owner. Boat Owner hereby assumes any and all such risk. The Marina assumes no responsibility for, and shall not be liable for, the care, protection, and/or security of the Boat. This Agreement does not create a contract of bailment. Boat Owner, for himself, and his Agents (as defined by this Agreement) does hereby release Marina from any and all liability for loss, death, damage or injury (collectively "Injury ") to any person or property arising out of or in connection with the condition or use of the Boat or the condition or use of the Marina or its services, whether such Injury is caused by or through the acts or omissions of the Marina or by any other cause whatsoever, including but not limited to, fire, theft, weather conditions, etc., except for Injuries due to Marina's gross negligence or willful misconduct. Boat Owner shall indemnify and hold harmless the Marina from any claims, suits, actions, damages, liability, or expense (including attorneys' fees) in connection with any Injury (unless due to the willful misconduct or gross negligence of Marina) or arising from Boat Owner's breach of this Agreement. Marina is not to be considered as an insurer of Boat Owner's property and Boat Owner shall secure, at a minimum, the insurance required by this Agreement. Boat Owner is advised to remove all items not permanently attached to the Boat while the Boat is in the Marina. Under no

circumstances shall the Marina be liable for indirect, consequential, special, or exemplary damages, whether in contract or tort (including strict liability and negligence) with respect to Boat Owner's use of the Marina. Boat Owner and Boat Owner's insurers agree to waive any right to petition for exoneration from or limitation of liability under the laws of the United States in the event the Boat is involved in any casualty resulting in personal injury, death or property damage while docked at the Marina or in connection with this Agreement.

3. INSURANCE.

a) **VESSEL.** Boat Owner at his or her sole cost and expense, shall at all times during the term of this Agreement, maintain a public liability policy with limits of not less than \$300,000 per occurrence, with an insurance company acceptable to Marina, naming Marina as an additional insured, and a policy of property damage insurance covering at least 100% of the actual cash value of the Boat, extended perils, damage by fire, vandalism and burglary. Boat Owner shall provide Marina with a copy of the insurance policy evidencing coverage upon execution of this Agreement, and, no later than 30 days prior to expiration of a policy, BOAT OWNER OR AGENT SHALL PROVIDE MARINA with evidence of the renewal of the policy. All policies of insurance shall require 30 days advance notice by the insurance company to Marina of any amendment or cancellation. Boat Owner shall supply proof of insurance to Marina and Boat Owner's insurance company shall fax Marina Certificate of Insurance listing Marina as holder of said certificate.

b) **CONTRACTORS.** Any outside contractors employed by Boat Owner shall (i) complete the Outside Contractor Safety Agreement, (ii) provide insurance naming Marina as additional insured substantially in compliance with the terms set forth herein with limits of not less than \$1,000,000 per occurrence, (iii) register at the Marina office prior to beginning work, (iv) comply with all rules, regulations, and laws, and (v) conclude all work prior to dock office closing (Mon-Sat 5:00pm).

4. LIENS.

a) Boat Owner hereby recognizes and acknowledges that all services provided by Marina to Boat and Boat Owner are for the direct benefit of the Boat. Accordingly, Boat Owner grants to Marina a maritime lien on the vessel for necessities as defined by 46 U.S.C. §31342 and a security interest therein to secure the payment of any and all fees, charges or other sums due hereunder and for any other services or materials rendered or supplied to Owner by or on behalf of Marina (e.g., oil or fuel spill containment, emergency pumpout of vessel bilges, replacement of damaged or broken dock lines and/or fenders, etc.).

b) Boat Owner hereby authorizes and allows the Marina to include as part of its maritime lien for necessities under 46 U.S.C. §31342 any and all collection and attorneys' fees incurred by the Marina to foreclose or enforce its maritime lien for necessities. Boat Owner further acknowledges that all costs and attorney fees may be considered as part of the maritime lien for purposes of securing a bond as security for Marina's lien and for purposes of satisfaction from the proceeds of sale should the Boat be sold pursuant to a lien for necessities. To the extent that any sale of the Boat does not satisfy the full amount of Marina's lien, Boat Owner and its Master/Agent, hereby agree to be personally liable and guarantee the full amount of Marina's lien.

c) The Marina's lien shall be both a common law lien for storage and a maritime lien for necessities, which shall be in addition to any state, or federal maritime lien or other remedy otherwise available to Marina hereunder in law or equity. It is specifically agreed that all service, storage, materials, and the like which are provided to the Boat or Boat Owner under this Agreement by or on behalf of the Marina, are provided to the Boat at the request of the Boat Owner on the credit of the Boat. It is understood between the Parties that the Marina is relying primarily on the credit of the Boat for the enforcement of its claim for fees, charges, and invoices for all necessities provided under this Agreement. The Parties further agree that all services provided by the Marina pursuant to this Agreement shall be deemed "necessaries" pursuant to 46 U.S.C. §31342(a), as amended from time to time.

d) In any action, in rem (against the Boat) or in personam (against the Boat Owner), by Marina to enforce a lien of whatever nature, any bond required of Boat Owner to be posted pursuant to law releasing the Boat to the Boat Owner, shall be for the greater of the value of the Boat or twice Marina's full debt or amount in controversy plus reasonable attorneys' fees, costs of bringing suit, the U.S. Marshal fees, custodia legis fees and claimed interest. Further, Marina may have the amount of any bond posted increased to ensure the posted bond covers all amounts claimed.

e) Without limitation on any of Marina's rights under state or federal law, in the event Marina proceeds against the Boat under Federal Admiralty procedures and Supplemental Admiralty Rules, in rem, Boat Owner agrees to use Marina as the substitute custodian for the Boat in place of the U.S. Marshal.

5. **EMERGENCIES, BAD WEATHER AND ACTS OF GOD.**

a) **RESPONSIBILITIES.** Marina expects Boat Owner to make suitable arrangements for safe, sheltered anchorage during storms, high winds, high or low water, ice or snow conditions and other bad weather, and Boat Owner warrants such arrangements have or will be made. Boat Owner **may not** assume that the Marina will be safe, sheltered anchorage at any time. In the event of an impending storm or other emergency situation, Boat Owner authorizes Marina to do whatever Marina deems appropriate to keep the Marina, Marina property, the Boat and other boats safe. These actions include but are not limited to moving the Boat at the Boat Owner's risk and expense; however, Marina is not required to do any act to save or preserve any Boat or Boat Owner's property. Boat Owner shall pay for all costs of such actions by Marina whether or not Marina's efforts are successful in protecting the Boat.

b) **SALVAGE.** If the Boat sinks while in the Marina, Boat Owner shall raise the Boat at Boat Owner's sole cost and expense. If salvage is not begun within 24 hours after Boat Owner receives notice of the sinking, Marina may raise the Boat at Boat Owner's expense and dispose of it at Marina's discretion. Undertaking to move the Boat shall not be deemed an assumption of responsibility for the safety, security, and care of the Boat by Marina, nor shall Marina be deemed a bailee of the Boat Owner. Marina shall have a federal maritime lien for salvage against the Boat for any and all salvage actions and costs undertaken by the Marina. Marina shall also have the contractual right to enforce its salvage costs and the amount of its salvage lien against the Boat Owner and/or Boat Owner's Agent personally.

For the purpose of obtaining storage space and other privileges available for Boat and Licensees, Boat Owner or Agent submits the above information and statements are true and correct and authorizes the Marina to verify such information, including but not limited to credit verification. Boat registration and insurance policy declaration are required to be kept current for the duration of the Agreement and/or storage of the Boat. Boat Owner or agent acknowledges that they have read and fully understood this Transient License Agreement, including the posted Marina Rules.
