Everglades National Park Flamingo Marina Transient Checklist

The following are required upon arrival at the marina:

- 1st night paid in advance (non-refundable).
- State issued photo ID with current mailing address (or supplement)
- Current vessel insurance declaration (min. \$300k P&I Coverage)
- Current registration or USCG documentation
- Completed Transient Agreement (provided upon arrival)

All vessels are expected to be in good seaworthy condition and aesthetically presentable. The Dockmaster shall inspect and have final approval of all vessels entering the marina.

Please do not store flammables on deck or in bilge areas. We sincerely want you to enjoy yourself during your visit, but we take spills or the potential for a spill seriously. Fuel containers may be stored in our fire cabinets and any hazardous waste may be disposed of upon arrival.

Inform the staff of any special needs or requirements.
